

VISION

Global Academy International regards its students as future knowledge-equipped pioneers and global citizens who effectively contribute to their societies.

MISSION

Global Academy International provides an effective, caring, healthy, safe, and joyful educational environment that upgrades the cognitive, social, emotional, and physical wellbeing of each student. Global Academy International promotes students' creative and critical thinking and prepares them to play a constructive role in their community.

How to Activate the activity	<input type="checkbox"/> Play <input type="checkbox"/> Mural <input type="checkbox"/> Expression / Research <input type="checkbox"/> Lecture <input type="checkbox"/> Expression <input checked="" type="checkbox"/> Draw/Cut & Paste <input type="checkbox"/> workshop <input checked="" type="checkbox"/> others <input type="checkbox"/> Competition		
The Goal of The Activity	This initiative encourages young people to prioritize their health, understand the impact of breast cancer, and become advocates for awareness in their families and communities.		
Implementation Mechanism	Bulletin boards were designed with students' messages, and the whole school wore pink on this day.		
The Impact of The Activity on Students	Breast cancer awareness in schools plays a crucial role in educating students about the importance of health and early detection. By integrating discussions about breast cancer into health curricula, schools can empower students with knowledge about risk factors, prevention, and the significance of self-examinations.		
Feedback	This initiative encourages young people to prioritize their health, understand the impact of breast cancer, and become advocates for awareness in their families and communities.
