<b>The Goal of The Activity</b>	Qatar Debate works with schools, universities, and youth organizations to develop students' debating skills. The programs help participants learn how to form arguments, present ideas effectively, and engage in structured discussions.		
<b>Implementation Mechanism</b>	Qatar Debate reaches out to schools (both public and private) to introduce its programs and benefits. Schools that express interest in participating sign a partnership agreement with Qatar Debate, outlining the terms of collaboration, including training schedules, participation in events, and ongoing support.		
<b>The Impact of The Activity on Students</b>	Participating in Qatar Debate activities has a profound impact on students, providing them with a diverse range of skills that contribute to their academic success, personal growth, and future career opportunities. By developing critical thinking, communication, research, and leadership skills, students become more confident, informed, and engaged individuals capable of addressing complex issues in the world around them. Additionally, debate programs promote teamwork, emotional intelligence, and social awareness, all of which are essential for success in both personal and professional contexts.		

<b>Feedback</b>	Feedback from the students was overwhelmingly positive. They expressed appreciation for the opportunity to attend Round One of Qatar Debate, noting that it allowed them to develop new skills and enhance their existing abilities.
