<b>Implementation Mechanism</b>	The Activities Department at Global Academy International, Muaiter Branch, organized a fun-filled Spirit Week. On Tuesday, students participated in "Creative Backpacks Day," bringing unique or themed backpacks to school. These ranged from oversized or uniquely decorated backpacks to creative alternatives like tote bags or suitcases. Wednesday was "Twin Day," where students paired up with friends and dressed alike to showcase their bond. Finally, Thursday was "Throwback Day," with students wearing 90s-inspired outfits, enjoying 90s music, and indulging in nostalgic snacks, creating a lively and memorable experience for all.		

<b>The Impact of The Activity on Students</b>	Spirit Week positively impacts students by fostering school pride, encouraging social interaction, and boosting morale. It provides opportunities for creativity, teamwork, and self-expression while building a stronger sense of community among students and staff. By balancing academics with fun and engaging activities, Spirit Week enhances the overall school experience and promotes personal growth, as well as creating a fun environment for students.
<b>Feedback</b>	Students often share positive feedback about Spirit Week, highlighting the excitement and fun it brings to their school experience. Many enjoy the opportunity to express their creativity through themed outfits and activities while bonding with friends and classmates.
